To pre-register for public comment, please indicate that you would like to speak when registering for the WebEx meeting. The host of the meeting will call on each speaker in the order in which they registered to speak for 2 minutes.

After we have gone through each pre-registered commenter and if any time remains, we will also hear from members of the public who may wish to speak but did not pre-register. If you did not pre-register but would like to speak, use the “Raise Hand” function in the WebEx platform; or if you are calling into the meeting from a telephone, press *3.
